**Attachments:** MVB - Bid Tabulation 5April2018.pdf

Brad,

Here is the bid tabulation for the new Public Works Building as well as the Architect's recommendations.

BTW, the plans are still at the plans examiner, but the Architect and I met yesterday concerning the comments, and he is getting them ready to be submitted for recheck.

Shane,

Here is the Bid Tabulation for the Midway Vehicle Building.

All bidders submitted all requested documents.

Brett Woods is comfortable with his bid.

As we discussed, I don't recommend accepting Alternate #1

I recommend award of this project to Brett Woods Construction in an amount not to exceed \$326,430.

George
