20 June 2023  
Regular Meeting

Alpenhof Park Improvements /  
Award Contract

June 9, 2023

Midway City Mayor and Council  
100 West 75 North  
Midway, UT 84049

**Subject: Alpenhof Park Landscape Improvements**

Dear Midway City Mayor and City Council:

On Wednesday April 26, 2023, bids for the Alpenhof Park Landscape Improvements were opened. Two contractors submitted bids for the project. Their bids are as follows:

RB Construction: \$757,092.00  
Hillbrook Landscaping: \$441,500.00.

Hillbrook Landscaping was the low bidder. After meeting with the Contractor and reviewing their bid and their commitment to stand behind the price of their bid, we recommend the Mayor and City Council award the project to Hillbrook Landscaping in the amount of \$441,500.00.

The Alpenhof Park Landscape Improvement bids did not include the sports court and playground equipment. We are currently receiving additional bids for the playground equipment.

We received a bid from Parkin Tennis Courts for the sports court at Alpenhof Park in the amount of \$75,120.00. Parkin Tennis Courts is constructing the new pickleball courts for Wasatch County at South Field Park and provided a bid for Alpenhof Park in conjunction with the County's bid. We recommend the Mayor and City Council also award the sports court bid to Parkin Tennis Courts in the amount of \$75,120.00.

Please contact our office with any questions.

Sincerely,  
Berg Landscape Architects
